

THE OUTSTANDING EVENTS COMPANY

ACTIVITY STAFF QUALIFICATIONS

All staff are required to undergo CRB Disclosures prior to employment. We will be using ISA registration process as soon as it is available.

All senior staff have first aid training and child protection training.

We encourage all other staff to undergo first aid training and child protection training.

Currently one director has undergone safer recruitment training.

Specific Activity Training

Mobile Climbing Wall

We run our own in-house training scheme. The course is delivered and administered by our technical advisor - Mr Jack Griffiths - www.theukrocks.com
Staff have to be re-assessed every 12 months as part of the scheme.

Archery

All instructors need to hold the GNAS Leader award. Additionally, staff go through in house training and assessment delivered by Rob Lancaster. This is to ensure consistency of delivery.

All other non NGB activities

Staff are trained and assessed internally.
